

THE SLIM DUSTY CENTRE

A PROPOSAL FOR FOUNDATION DONORS

For more than 60 years Slim Dusty defined the character of Australia.

Prior his death in 2003, a group of prominent Australians working with Slim’s family, set up the Slim Dusty Foundation with the express intention of recognising and commemorating Slim’s unique contribution to our nation.

The Slim Dusty Foundation Ltd, Trustee of the Slim Dusty Museum Trust Fund, is now working to plan, build and operate a major national tourist attraction based in Slim’s birth place of Kempsey NSW.

Under our mission statement the project aims to:

“To create a dynamic memorial to Slim Dusty, his vision of Australia and its people as portrayed in his timeless music. The Centre will provide a uniquely Australian experience in an environment ranking in innovation, excellence and relevance as one of the most significant of its type in the world”.

Already we have had tremendous support from Federal and State Governments and many other organizations and individuals throughout the nation, who recognise the outstanding contribution made to Australia by Slim Dusty. Recently the Prime Minister confirmed a Federal Government contribution of \$1.5 million.

The Slim Dusty Foundation is gearing up to raise a substantial additional amount towards the planning and construction of the Centre. We believe there are many Australian organizations and individuals who would proud to contribute to this national project. Foundation Donor Units of \$25,000 are being sought, and all donations are fully tax deductible.

We would like to ask you or your organisation to join us in creating this unique national memorial to a man who will always hold a firm place in the hearts of all Australians.

We invite you to become a “Foundation Donor” of the Slim Dusty Centre.
